

Success Stories at The Nevada Center

Dear Patient:

Thank you for agreeing to share your story of healing. This is a powerful way to encourage others and help them learn about the benefits of alternative therapies. We greatly appreciate your time and effort.

There are three ways that you can share your story.

- Write up your testimony here in the office and leave it with Robin or Nicole.
- Write up your testimony at home and email to: nicole@antiagingmedicine.com or mail to: 1231 Country Club Drive, Carson City, Nevada 89703.
- Video testimony can be done during your visit at The Nevada Center. Please be sure to call us at 775-884-3990 to schedule this as an appointment.

Here are some guidelines when telling your story:

- If you choose to write your story, please try to keep it to approximately 300 words.
- Make sure you give your name and your city & state (we will only post your first name online).
- Please include your diagnosis, symptoms, and limitations when you first began treatment.
- Briefly state what treatments you have had at The Nevada Center.
- Describe what your condition is like now compared to when you first started treatment.
- Share any concluding comments regarding your treatments, the staff, clinic services, etc.

PERMISSION FOR WRITTEN / FILMED SUCCESS STORIES

I hereby give my permission to The Nevada Center, Inc. to post my video, photograph, and/or written testimonial on their internet sites (Facebook, Youtube, Twitter, or antiagingmedicine.com, etc.) for the purpose of marketing and promotional services. I have had a good experience at The Nevada Center and I believe that others can benefit from hearing my story, I understand that I can rescind this permission whenever I want, and that all of these materials will be completely removed from all sites controlled by The Nevada Center.
